Overview

Patrol swaps (substitutions (sub/s) enables members to indicate when they will be unable to attend a patrol therefore inviting other club members to sub for them. Club members can also accept to sub for another member who is unable to patrol. Members will manage their subs with other club members via the Member Portal > Lifesaving Online tab.

The Patrol Sub performs the following tasks:-

1. Displays an invite to eligible members in your club that you require a sub.
2. Enables a member to view only patrols that they are eligible to do based on the Awards they hold.
3. Enables members to confirm they are able to do a sub for another member.
4. Send a notification email when a sub has been accepted
